

## Events

### ObTech Malaysia to take part in SMIDEX 2009

This year marks the 12th year that SMIDEX is organizing its annual showcase, SMIDEX. Regarded as one of the premier business event, SMIDEX 2009 will see the convergence of the biggest number of exhibitors both from domestic and international market. This annual event is designed to showcase the capabilities and capacities of Malaysian SMEs in producing products, technologies and services for the global market. Large companies and Multinational Corporations (MNCs) are also welcomed to display parts and components they would like to procure from SMEs. For the first time ever, on-hand information on available financing for SMEs from various financial institutions will be made available in one event. It is a huge opportunity for our business to prosper.

ObTech Malaysia is taking part to SMIDEX 2009 for SME to relate and understand the power of SAP Business One Solutions that it is an integrated, affordable, business management solution built from the ground up to meet the immediate and long-term needs of small and midsize businesses.
