

Certified as a SAP Consultant by Taking 3 Months Standard Courses!!

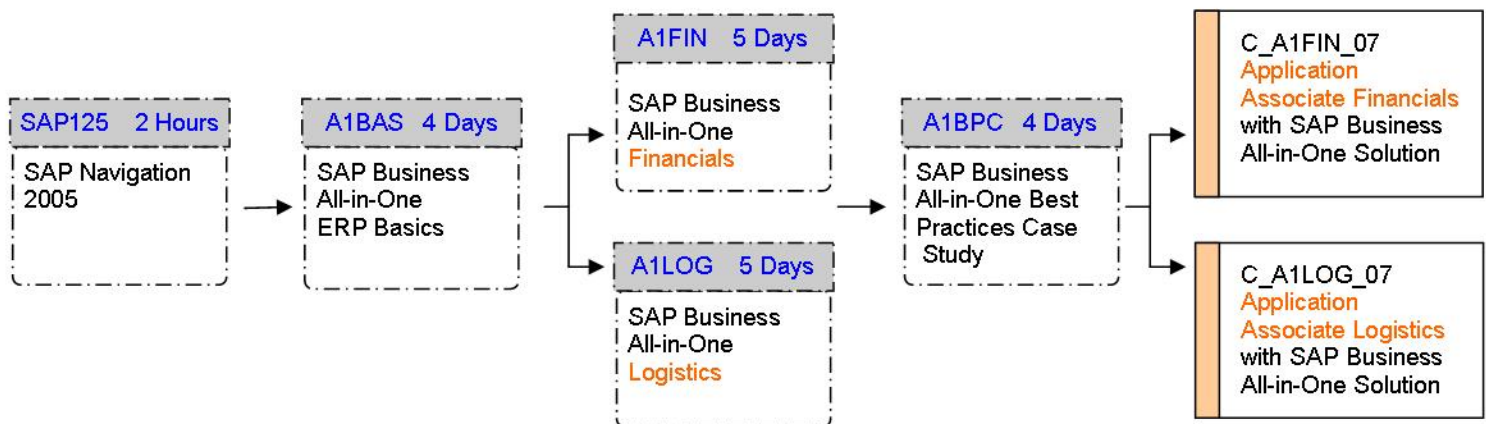

In the knowledge-based economy, education is not an expensive luxury. It is the key that unlocks your organization's potential and opens the door to growth – especially when times are tough. Individuals who demonstrate that they possess essential business and technological skills enjoy a significant advantage over their peers.

The SAP Certificate is one of the most respected industry qualifications in IT. Graduates are highly sought after and are always recognized for their knowledge and expertise in SAP business solution. SAP Certification is truly an exclusive qualification and it gives you a distinct competitive advantage.

Now, you can be a certified SAP Consultant within 14 days (Full Time Certification Track) or by attending the required Standard Courses within 3 months (Terms & Conditions apply).

SAP® Business All-in-One Application Associate Certification Tracks
